Dear Ron:

The Carbondale Historical Society will present a talk/illustrated lecture on the Delaware and Hudson Canal Company's Gravity Railroad from Carbondale to Honesdale on February 17, 1983, at 7:30 P.M., in Marian Hall at Saint Joseph's Hospital, Carbondale. Several members of the Society will participate in this presentation, which will conclude with a screening of the film about the Delaware and Hudon Canal entitled "The Canawler."

I hope that your schedule is such that you will be able to attend this presentation.

Sincerely,

S. Robert Powell
